

Is your troop looking for ways to earn some of the new STEM badges & Journeys?

Join Challenge Island, long time Girl Scout partner, and let the experts bring the STEAM to you! Enjoy hands-on STEAM challenges that satisfy pieces of the new badges while having fun as a troop.

JOURNEY & BADGE WORKSHOPS FOR BROWNIES

Challenge Island© is where Engineering Meets a Girl Scout's Imagination!

Challenge Island© is a corporate partner with **Girl Scout** councils from coast to coast. Our **one of a kind STEAM challenges** and adventures fulfill a number of **Brownie Journey and Badge requirements**. Girls also receive a unique **Challenge Island Fun Patch** each time they do a Journey or Badge workshop with Challenge Island!
